\*\***Formats:** **Intensives** are held on campus for either three Friday/Saturday weekends in fall and spring or week-long in January and summer. Students will stay connected online and may have assignments to do before, after, or in between sessions on campus. **Hybrids** blend online teaching and learning (live, self-paced, or both) with sessions that meet on campus for one or two weekends in fall and spring or fewer than five weekdays in January and summer. Fully **online** courses do not require visits to campus. They are as interactive as possible and often include both synchronous ("live" in real time) and asynchronous (on your own time) sessions.
